工作经历

BPCE ES（法国 BPCE 银行集团）| IT 项目经理 | 汇报对象：COO **2022/11-至今**

- 作为中国区唯一全职 IT PM，独立管理 IT 预算双维度（P&L + 现金流出），评估开发成本与业务收益以推动总部优先级决策；在竞争性成本分摊模式下独立构建商业论证，将中国需求定位为总部 KPI 加速器，争取到总部重点资源与优先排期；推动跨实体需求对齐以加速开发排期。
- 成为 BPCE 全球首个完整上线的实体（3 个核心业务系统），中国部署被采纳为全球可复制模板，获第二阶段总部资源承诺并推动 70% 运营成本削减路线图。
- 中国银行监管环境下全程零合规违规。

NCR Corporation（安迅中国）| 项目集经理 **2016/09-2022/11**

- 管理大中华区$50M+ IT 交付项目组合。以混合（敏捷-瀑布）方法独立负责 WBS 与任务依赖映射，整合销售、运营、开发团队与第三方供应商协作；在 RFP/QBR 中担任专家角色。连续三年亚太区 TOP ROI。
- 主导 EPM 企业级系统上线，实现零数据迁移事故、零业务影响。KA 账户转型交付备件成本-5%、人力成本-20%，转型框架复制至 3 个额外账户。

上海药明康德新药开发有限公司 | 高级项目经理 2015/05-2016/08 主导跨职能项目管理，建立精益六西格玛问题解决框架与多实验室进度跟踪体系

赫兹国际汽车租赁有限公司 | 客户关怀主管 2011/12-2015/04 并购期间领导团队重组与 KPI 体系重建；建立首个标准化售后问题手册与供应商记分卡。

Professional Summary

Program manager with 14 years running IT portfolios and program governance for European and American MNCs in China. Owned $50M+ portfolio prioritization, dual-dimension budget governance (P&L + cash-out), cross-border business cases, and Steering-level reporting. Consistent delivery of measurable ROI, disciplined resource optimization, and regulatory-clean track record across multi-jurisdiction environments.

Certifications: PMP | ITIL Foundation | Lean Six Sigma Yellow Belt | LLM Applications Development Engineer

Work Experience

BPCE Equipment Solutions (BPCE Group) | IT Project Manager, report to COO **Nov 2022 – Present**

- Evaluated build-vs-benefit trade-offs for all China requirements to influence HQ prioritization; acted as the strategic bridge between China operations and European HQ IT architects.
- Cross-border business case & resource advocacy — Built independent business cases under a competitive cost-sharing model; positioned China needs as HQ-KPI accelerators and secured priority HQ resource commitment despite China representing a fraction of group revenue.
- Portfolio outcomes & compliance — First full global-entity go-live of 3 core business systems; China deployment adopted as the replicable global template; Phase 2 HQ funding secured; drove a ~70% operational cost-reduction roadmap; sustained zero compliance violations under China banking regulators.

NCR Corporation | Program Manager, PMO **Sep 2016 – Nov 2022**

- Owned a $50M+ IT delivery portfolio / 15+ concurrent initiatives across Mainland China, HK, and Taiwan via hybrid agile–waterfall; WBS, dependency mapping, strategic prioritization, and shared-resource optimization.
- #1 ROI among APAC program managers for 3 consecutive years — driven by cross-client requirement consolidation and shared-resource reuse across two major KA accounts in the same vertical.
- Zero major deployment failure across 20+ production releases; zero financial-data compliance incidents over a 3-year audit period; SME in RFP and QBR forums with cross-functional channels across Sales, Operations, and Engineering.

WuXi AppTec | Senior Project Manager **May 2015 – Aug 2016**

Cross-functional program management; established Lean Six Sigma problem-resolution framework across multiple labs.

Hertz RAC | Customer Care Supervisor **Dec 2011 – Apr 2015**

Led team restructuring during M&A integration; built the company's first standardized after-service handbook and vendor scorecard / SLA analytics framework.
